Winter Picnic

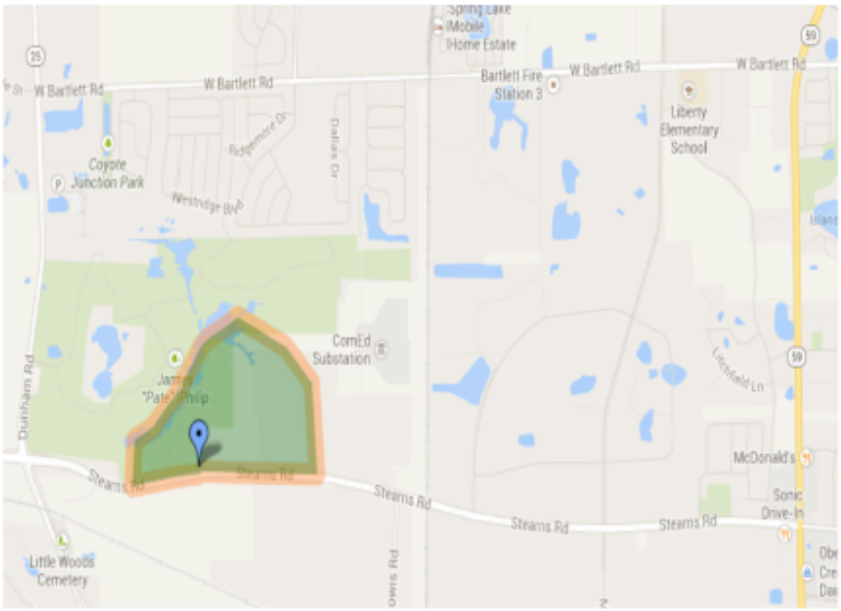
Sunday, February 23, 2020

11am - 4pm

James "Pate" Philip State Park
2050 W. Stearns Rd, Bartlett

Bring your dogs and enjoy a day of fun! There are miles of trails, a nice pavilion with a fire, and heated indoor flush restrooms! The pavilion has several tables so bring your family and friends. There'll be time to walk the trails with your 4-legged (or even 2-legged) friends. If we have enough snow, we'll break out the sleds, or bring your skis and skijor! We'll have dry land rigs instead of sleds if there isn't enough snow. Please dress warm as this event is entirely outdoors!

The picnic is pot luck style, please bring a dish to pass! Please let Mike/Beth know what dish you're bringing so we can try to get a variety of food. Electric is available so you can bring crock pots. Remember this is an outdoor event so try not to bring things that are difficult to eat when they get cold.



Directions:
Take IL Route 59 (Sutton Rd) to Stearns Rd in Bartlett. Turn onto Stearns heading west for 2.5 miles. The park will be on your right/north side (about 1 mile west of the railroad tracks). Once in the park, follow the roads to the right to get to the pavilion.

Several of us use this park for its sled trails. It is very important that we respect it and keep it clean. Please, DO NOT chain any dogs to trees and clean up after the dogs.
