Summer Picnic

**Sunday August 7, 2022
Spring Creek Reservoir Forest Preserve
Bloomington, IL**

Located on Lake Street (Rt. 20) between Medinah Road and Glen Ellyn Road.

11:00am—3:00pm

Bring your dogs and enjoy a day of fun! We plan to have numerous activities for you and your pups to enjoy! Try your hand at the games, or just relax. We will offer the CGC test if enough are interested and your dog is ready for \$5. You must state you will be testing when you register for the picnic—no "day of" signups. Bring a \$5 grab bag gift for the dogs grab bag party. Please wrap it loosely in paper. Shade is a bit sparse at this grove so bring a canopy or some kind of protection for you and your family.

Guests will bring salads, desserts and extras.
Main course will be provided by the club.**

Directions: Take I-355 to Lake Street (IL Route 20). Exit and head west past Medinah Rd. The preserve will be on your right hand side.

**RSVP to Kathy Kaminski by Sat. Jul 30th so we know how much of the entree to have and who wants a CGC eval.
